EDUCATION

Jatiya Kabi Kazi Nazrul Islam University

2023/02-Ongoing

B.Sc. in Computer Science and Engineering.

Coursework: Programming Languages, Algorithms, Data Structure, Database, Cyber Ethics, Computer Architecture, Microprocessor, Data Communication, DSP, Cryptography.

PROGRAMMING COMPETITION AND OTHER ACHIEVEMENTS

Competitive Programming: LeetCode - max rating 1510 (Top 40%) [[profile link](#)]; Codeforces -1113 [[profile link](#)]; CodeChef 1469 [[profile link](#)]

Other Achievements:

- Successfully completed **ALP Leadership Program** (organized by Harvard university)
- 1st Runner up **TechMind Hackathon** organized by Mid-Day Programming Club
- Top 10 among 200 teams, Innovatex Hackathon (BUBT IT Club)
- Certified to present research at **11th IEEE i-COSTE 2025**, 13th International **BILTEK Congress**, MEETCON-WORK International Food, Agriculture & Veterinary Sciences Congress
- Participated in **NASA Space Apps Challenge 2024, 2025**
- Participated in **Hult Prize Program 2023,2024**
- Received several awards in sports, including **Marathon, Cricket and Football**
- Awarded **government scholarships** at PSC and JSC levels in Bangladesh

RESEARCH & PUBLICATIONS

- **Solar-Powered IoT-Based Smart Farming Model (SPISFM)**
Conference: IEEE International Conference on Sustainable Technology and Engineering (i-COSTE 2025)

UNDER REVIEW:

WORK IN PROGRESS:

- **Banana Disease Detection using AI & Computer Vision**
Key Contributions:
Developing CNN-based disease detection model
Dataset collection (single & bunch banana images)
Focus on improving agricultural quality assessment
- **NLP Analysis of Kazi Nazrul Islam's Poetry**
Key Contributions:
Applied NLP on Bengali literary texts
Performed sentiment & topic analysis
Contributed to low-resource language research

WORK EXPERIENCE

Founder and CEO, [Amader Online School](#): Creating educational content for students across various subjects.

Class Representative, JKKNIU: Served as the class representative for 1.5+ years, managing communication between students and Department.

Programming Trainer, Mid-Day Programming, JKKNIU: Conducted programming sessions for juniors, focusing on problem-solving and programming fundamentals.

LEADERSHIP AND EXTRACURRICULAR ACTIVITIES

Intel Student Ambassador, Intel Corporation: Promoting Intel technologies (oneAPI, AI tools) and organizing technical workshops for the university community ([Verify Here](#)).
